Sunshine Tennis Club to appoint a new Tennis Coaching Team

As you may be aware, the Sunshine Tennis Club has for a number of years been seeking the services of a professional Tennis Coach to support Club members with a wide range of Coaching opportunities.

The Club has been unsuccessful in seeking a Coach for such Programmes until now.

The Sunshine Tennis Club has been most appreciative of the private Coaching assistance provided by Mr Eddie Gotowski to Club members over the last couple of years.

In addition, the Club has also been indebted to Simon Garth who offered to Coach the "Hot Shots" children on a temporary basis over the last 12 months, pending the appointment of full time Coach/s after Pam Field and Eddie indicated that they were unable to continue with that Programme. Simon has engendered much confidence and skills to the children and parents have appreciated his skills, approach and humor.

Simon noted in his discussion with the Club President –

"I have really enjoyed working with the Sunshine Tennis committee and the wonderful kids. It is a bit sad to see it come to an end but I knew from the start that it was going to be temporary. Thanks for all of your support. Please let the kids know that I haven't abandoned them and I'll miss them heaps."

DICKSON TENNIS

With the assistance of Tennis Tasmania, the Sunshine Tennis Club has now been successful in obtaining the services of two [2] professional Coaches, **David DICKSON and Katherine KELLY** who will share their time with another Southern Tennis Club.

This is great news for the members and families of the Sunshine Tennis Club. It offers the opportunity for participation in a wide range of Tennis Programmes that David and Katherine will offer and which have not been available to Club members in the past.

Open Day to meet the new Coaches:

Club Members will be soon invited to join the new Club Coaches at an Open Day on a date to be advised.
