WELCOME AS PROSPECTIVE NEW MEMBER OF SUNSHINE TENNIS CLUB

Many thanks for your enquiry regarding membership of the Sunshine Tennis Club. We would be delighted to welcome you as a new member of our friendly tennis club.

Included with this letter is an information package regarding the Club facilities, member and visiting player guidelines, and listings of organised tennis groups and contact details for the Club's 2018-2019 Committee members. Please take time to study this information and also retain it for future reference. Club events are advised by ENews flyers and newsletters, copies of which are posted on noticeboards at the clubrooms and distributed to members by email or standard mail. Further information is also posted on the Club's Facebook page and website (www.sunshinetennisclub.org.au).

We encourage our new members to be active in joining one or more of the Club's organised tennis groups. These cater for both social and more competitive tennis and new players are always most welcome. If interested, please contact the relevant group co-ordinator for more information and latest playing schedules.

If our existing rostered group playing times do not match with your requirements there is always the option of starting a new group with family and friends. Should this option appeal, the Club will provide every assistance to get you started and for ongoing support.

Should you require any additional information regarding the Sunshine Tennis Club please feel free to contact me, as shown on the letterhead, or other members of the Club Committee.

Since 2016 the Club has retained Dickson Tennis to provide coaching services. All members are encouraged to support David Dickson and Katherine Kelly by participating in the individual and group coaching and fitness sessions on offer. Dickson Tennis conducts pre-school, Hot Shots and junior coaching sessions every week day to provide innovative and fun tennis activities for primary school age children.

I sincerely hope that you will consider joining as an active member of the Sunshine Tennis Club and look forward to meeting with you on and off court in the very near future.

Many thanks and kind regards,

Sean Kelly
President 2018 - 2019
